SCHOLARSHIPS AVAILABLE

PENANG - THE IDEAL DESTINATION FOR QUALITY EDUCATION

The capital city of Penang, George Town, is a UNESCO World Heritage Site. It was named by CNN as the second best place to visit in 2017.

Penang is an education hub comprising numerous renowned colleges and university colleges which provide internationally recognised education. Various options are available - degrees can be obtained from Malaysia or partner universities in Australia, the United Kingdom and the United States through several twinning options. Students can study in Penang or transfer to these countries for part of their degrees.

Known as the Silicon Valley of the East as well as a tourist haven, options are aplenty for aspiring graduates. With strong linkages between education providers and industry partners, students are exposed to global perspectives in a conducive learning environment where English is widely spoken.

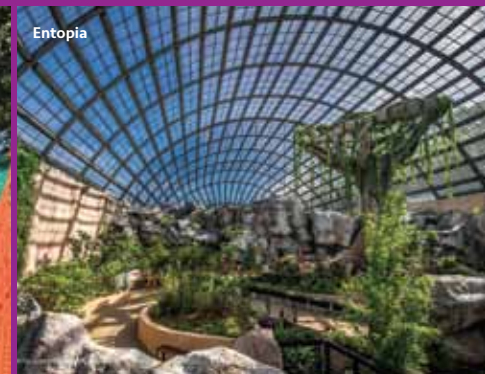

Surrounded by the sea and home to the iconic Penang Hill, Penang is filled with an abundance of natural beauty and rich cultural traditions. It is also famous for its delicious cuisine and affordable living costs. Complete with the necessary amenities ensuring enhanced learning and wholesome living with world renowned healthcare facilities, students will thrive in this charmingly quaint yet modern city.

Penang - the top choice for affordable, quality education and a brighter future!

OUR ASPIRATIONS

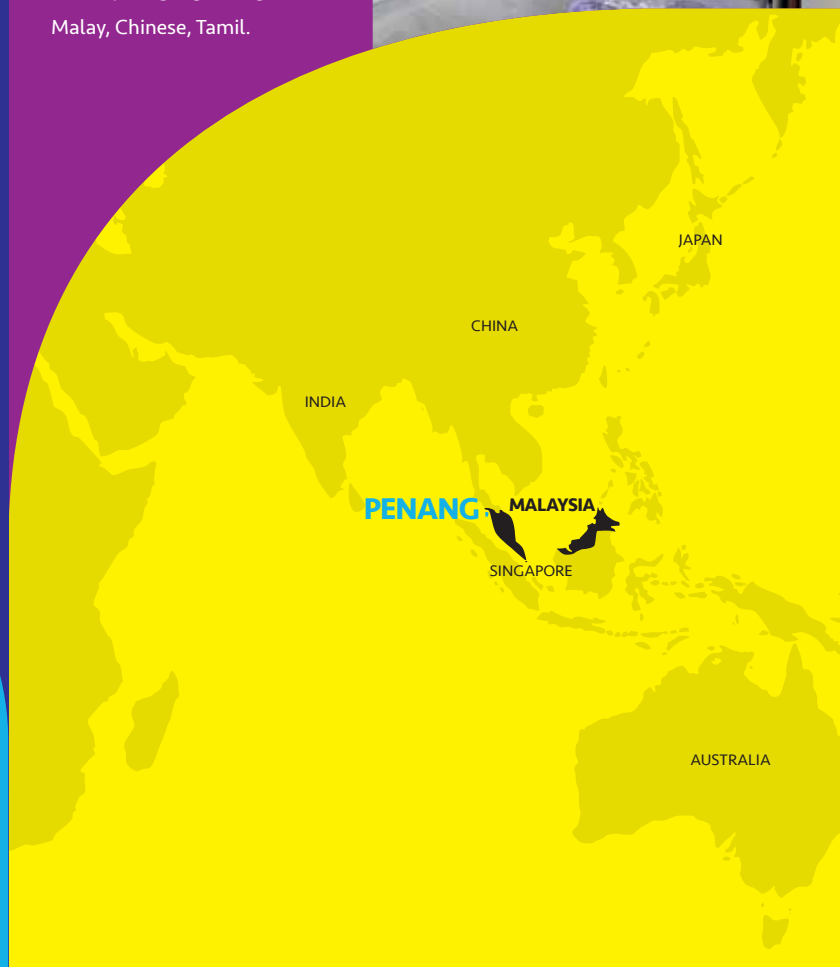

We aim to elevate Penang's reputation as a world-class destination for education.

We strive to promote awareness of its many educational institutions offering quality academic courses and comprehensive amenities.
